

**Registered Nurse Posts – Full time (possible job share) and Bank
Beaumont House Community Hospice
Salary Range £24,375 - £29,620 FTE
Transferable NHS Pension (conditions apply)**

We have a vacancy for a Nurse to lead the Hospice at Home team. You would be working with the Hospice at Home Co-ordinator and Health Care Assistants to provide supportive palliative care in people's homes.

We are looking for someone who:

- is passionate about helping people with cancer and life limiting illnesses to live their lives to the fullest
- have excellent clinical skills, flexibility, compassion, assessment and communication skills
- wants to join our enthusiastic and committed team who always go 'the extra mile' and want to make a difference

We are a unique, nurse – led hospice, we care for and support palliative patients and carers in Newark and the surrounding area.

As part of the wider RN team you may also work in the in-patient unit supporting patient care.

Essential criteria – you must:

- Be a Registered Nurse
- Be able to demonstrate an interest and knowledge of palliative care
- Have experience in caring for people with palliative care needs and/or long term conditions

Desirable criteria – we would like you to have:

- A palliative care qualification
- Experience supervising Health Care Assistants
- Experience in a hospice in-patient unit, community nursing, palliative care

Closing date 7th June 2017

Interviews 16th June 2017
