Please support Beaumont House Community Hospice and become a regular giver

At Beaumont House Community Hospice we provide care for over 400 patients with cancer and other life-limiting illnesses and their families every year at no cost to those we support.

We need to raise over £1,000,000 every year in order to keep the Hospice doors open and to continue to run all of our services, such as Hospice as Home. We are dependent upon the support and generosity we receive from people like you to help us to raise £750,000 of this total and ensure that we can continue to provide care and support to local people now and in the future.
